

Power In Testing Times | 1 Kings 18:16-46

1. Why does Obadiah fear for his life when Elijah tells him to arrange a meeting for him with Ahab?
2. Is there a place for Godly mockery? If so where and when and under what circumstances? Can you think of where it might be appropriate, even God honouring in your life? How would you go about it?
3. What do you think about putting God to the test? What might be the consequences and blessings?
4. Elijah is aware of what God is about. (He is going to send rain) How can we develop, a greater sense of awareness of what God is doing, especially in our own lives?
5. Can we share together any of the trials we may be facing. Praying together for God to send and show his power over them. Lord send the fire and give us victory.
